Discover Moon 64 Manilva — Stylish Mediterranean Living in Manilva

New off-plan development with excellent payment plan with stage payments.

Moon 64 Manilva is one of the most exciting new residential developments on the western Costa del Sol, blending contemporary design, premium comfort and an unbeatable location in the Los Hidalgos area of Manilva. Whether you're searching for a year-round home, holiday retreat, or a smart investment property, Moon 64 offers a lifestyle that truly lives up to the Costa del Sol dream.

A Home Designed for Modern Life

This exclusive development features 64 elegant 2- and 3-bedroom apartments and penthouses spread across two beautifully curved buildings, each with four levels. The architecture is modern yet timeless, with clean lines and spacious terraces that invite natural light in and frame picturesque views of the Mediterranean Sea and surrounding mountains.

Every home is thoughtfully designed with an open-plan layout, high-quality finishes and interiors that blur the line between indoor and outdoor living. Ground-floor apartments offer private gardens and outdoor

spaces, while penthouses boast expansive solariums — perfect for sunbathing, entertaining or simply relaxing with sea breezes year-round.

High-End Comfort and Energy Efficiency

Moon 64 is built with comfort and sustainability in mind. Each residence includes modern aerothermal climate control systems, efficient double-glazed windows, fitted kitchens with integrated appliances, and premium insulation. These features not only enhance your everyday comfort but also contribute to lower energy costs.

Resort-Style Community Living

Life at Moon 64 goes beyond your own front door. The development offers a suite of resort-like amenities designed to enrich your lifestyle:

- Stunning infinity-style communal pool with cascading water features
- Landscaped garden areas perfect for peaceful strolls
- Fully equipped gym and fitness zone
- Coworking space for those working remotely
- Social club and shared relaxation spots
- Underground parking with electric vehicle pre-installation

Prime Location in Manilva

One of Moon 64's greatest advantages is its location. Nestled in the established residential area of Los Hidalgos, you're just a short drive or walk from:

- Beaches of La Duquesa and El Castillo
- Local shops, cafés and everyday services
- Supermarkets, health centres, and leisure amenities

Excellent transport links make it easy to explore the Costa del Sol — Estepona, Marbella and Sotogrande are all within reach, Gibraltar Airport is around 30 minutes away, and Málaga Airport is approximately one hour's drive.

An Investment with Long-Term Appeal

Moon 64 stands out not just as a place to live, but as a strategic investment on the Costa del Sol. Its combination of modern architecture, full amenities, and desirable location means strong rental demand and potential for future capital growth — whether you're planning to rent or resell.
