Description:

Discover an exceptional opportunity to enter the Bali real estate market with this stylish off-plan 1-bedroom apartment located in the desirable Bukit–Ungasan area. Priced at just USD 110,000, this fully furnished unit combines modern minimalist design, an outstanding location, and strong long-term value—making it one of the most attractive investment properties for sale in Bali today. Set on a 25 sqm land plot with a 25 sqm enclosed building area, this thoughtfully designed apartment maximizes space, comfort, and functionality.

Scheduled for completion in Q2 2026 and offered on leasehold until 2055, it caters perfectly to digital nomads, holiday-goers, and investors looking for affordable Bali properties for sale that deliver reliable rental returns. Its compact yet efficient layout includes a cozy enclosed living area, a furnished bedroom, and a well-appointed bathroom—ideal for modern island living. Located just 3 minutes from Melasti Beach, one of the most beautiful coastlines in the Bukit Peninsula, this apartment offers quick access to world-famous beach clubs such as Savaya, chic dining venues, wellness centers, and lifestyle amenities.

With captivating ocean views and proximity to prime hotspots, this unit stands among the most appealing Bali residential real estate options for both short-stay and long-stay guests. Investors seeking Bali real estate for sale, Bali beachfront real estate, or Bali property for sale leasehold will appreciate the excellent ROI potential in this rapidly developing area. As real estate in Bali for foreigners continues to expand, Ungasan has become a major highlight in the Bali property market, offering strong yields, future

appreciation, and high occupancy rates.
