Description:

Ocean Key Property is proud to present Cerro Mouro Algarve real estate—a unique and sustainable residential project located at the border of the Costa Vicentina Natural Park. Just under 10 minutes from the stunning Praia da Luz, this development offers a blend of eco-friendly construction and modern architecture, designed for those seeking a quality lifestyle in the West Algarve.

Boasting a privileged year-round climate, this region combines tranquility with accessibility to everything you need for comfortable living. The strategic location of Cerro Mouro and its forward-thinking construction approach make it one of the most exciting real estate opportunities in the Algarve today.

Explore Cerro Mouro Algarve Real Estate – Comfort Meets Sustainability

Cerro Mouro consists of three distinct property types, each designed to embrace sustainable living in harmony with the natural environment. With nearly 50% of the homes already sold, the project is rapidly

becoming a success story in the Algarve's eco real estate market. There are currently 9 T2 starting from €500,000 to €520,000 to be constructed starting 2025.
