What is the location like?

Yalıkavak is widely regarded as one of Bodrum's most sophisticated and desirable destinations, blending natural beauty with cosmopolitan flair. Once a traditional fishing village, it has evolved into a world-class resort known for its crystal-clear bays, rolling hills and spectacular sunsets. The area offers a refined lifestyle with gourmet dining, luxury beach clubs and a vibrant marina scene, while still retaining a relaxed Aegean charm. With its year-round appeal, Yalıkavak is equally attractive as a permanent residence, holiday retreat or investment location.

Where is the villa located?

The villa is ideally positioned within walking distance of Yalıkavak Marina, one of the most prestigious superyacht marinas in the Mediterranean. Everyday amenities, boutique shops, cafés and fine dining restaurants are all close at hand, eliminating the need for frequent car use. Inside, the open-plan living and dining area flows seamlessly into a high-spec fitted kitchen, creating a bright and sociable heart of the home.
