Prime 4-Acre Ocean-View Development Land – Union Island, St Vincent & the Grenadines

An exceptional opportunity to acquire a substantial 20,000 m2 (4-acre) parcel of prime development land on the unspoilt island of Union Island, St Vincent & the Grenadines.

The property is located in the Cadastral District of Richmond, as shown on Lands & Survey Department Registered Survey Plan No. 1136, Survey Order No. P452/09. Elevated on a gently sloping hillside, the land enjoys sweeping panoramic sea views across Richmond Bay, making it ideally suited for a luxury private estate, holiday villas, or a boutique tourism development.

Property Overview

Set in a tranquil rural environment, the land benefits from an excellent balance of privacy and accessibility. Residential properties border the northern, southern, and eastern boundaries, while the western boundary adjoins a protected state-owned dry forest, offering remarkable biodiversity and ensuring long-term preservation of the natural surroundings. The location feels peaceful yet is far from isolated.

Utilities are already in place, including water, electricity, drainage, and internet connectivity, significantly reducing development start-up costs.
