Description:

Excellent 3 bedroom apartment as new, with large and well-distributed areas, located in a privileged area, close to the center and all essential services. This property stands out for its functionality, comfort and quality of construction, being an ideal solution for both own housing and investment with high profitability.

The apartment has 3 suites, ensuring total privacy and convenience, an open space social area that integrates living room and kitchen, providing a modern, bright and welcoming environment, perfect for everyday life and to receive guests. It also has an independent laundry, an increasingly valued element.

It includes private parking for one car, a differentiating factor in a central location. - REF: 322/A/02421
