Description:

Terraced Homes in Avileses: Exclusive Living and Modern Comfort Discover the allure of these terraced homes nestled in Avileses. Offering only 5 exclusive units, each home is designed with 3 bedrooms and 2 bathrooms, making them ideal for families or those seeking a peaceful retreat amidst charming surroundings. Step inside to explore interiors that seamlessly combine style with practicality. The stoneware flooring throughout the homes not only enhances their elegant look but also ensures durability. Built-in wardrobes add convenience, providing ample storage space. Each residence includes a terrace, serving as a private outdoor haven perfect for enjoying morning coffee or unwinding in the evening. **Personal Retreat with Private Pool and Solarium** A highlight of these homes is the private pool, offering a refreshing escape from the heat and a perfect spot for family fun. The solarium is an additional feature, providing a space for sunbathing or hosting intimate gatherings with friends. This unique combination of amenities caters to those who appreciate outdoor living. Though air conditioning systems are not currently installed, the homes are prepped for future installation, allowing you to customize the climate control to your preference. This future-ready feature ensures that your comfort can be tailored to suit your personal needs whenever you choose. **Strategic Location and Secure Living** These homes are strategically located just 29.0 kilometers from the airport, facilitating easy international travel. Whether traveling for business or leisure, this proximity makes commuting a breeze. While community amenities like a shared gym or pool are absent, each home offers a private garage, ensuring secure and convenient parking solutions. The absence of community features is offset by the private amenities that each home

provides. With a garage included, residents can enjoy peace of mind knowing their vehicles are safe and secure. The homes' future-ready status is further enhanced by the pre-installation for air conditioning, promising a personalized living experience.
