#### Description:

Contemporary living in RedovánDiscover the perfect blend of style and comfort with this exclusive collection of properties in Redován. With just 9 units available, potential homeowners can choose between elegantly designed apartments and penthouses. Each home features 3 bedrooms and 2 bathrooms, offering ample space for relaxation and entertainment. These residences are crafted to enhance modern living with meticulous attention to detail. Built-in wardrobes provide added convenience, while electric blinds contribute to the elegance of each home. A private terrace accompanies each property, offering a serene space for quiet moments or hosting guests. Flexible features and optionsAlthough the development does not include a community gym or pool, it provides a community garage for secure parking. This ensures peace of mind for residents. Additionally, each home offers the option of an extra garage, catering to individual preferences. The terraces provide a personal outdoor area to unwind and take in the surroundings. Advanced home automation systems are a standout feature, allowing for seamless management of your living environment. The properties also include pre-installation for air conditioning, enabling future enhancements and ensuring adaptability. Peaceful location with great connectivitySituated in the tranquil surroundings of Redován, these properties offer a serene lifestyle coupled with excellent accessibility. The airport is conveniently located 47.0 kilometers away, making travel for business or leisure easy. This proximity is ideal for both frequent travelers and visiting guests. Though not directly by the sea, Redován offers a peaceful setting with opportunities to explore the surrounding areas. The local charm of the community makes it a welcoming place to call
