Description:

3 Bedroom Villa Porto Santo

We present this magnificent villa, located on the island of Porto Santo, one of the most exclusive destinations in Europe.

The quality and lifestyle that this place provides has earned it several awards in recent years, making it ideal for those seeking to spend quality holidays.

This house is divided in two floors, being the first floor composed by an island kitchen integrated to the living room, 1 bathroom and external leisure area where you can enjoy moments of conviviality with all your family and friends. For all guests to enjoy greater comfort, on the upper floor there are 3 suites, all with built-in wardrobes, access to the balcony and private bathrooms.

We must emphasize the perfect condition in which this property is, having been very well maintained and the quality of its materials and finishes. For parking there is a garage with space for two vehicles.

Investing in Porto Santo is investing in quality of life, a very quiet, safe and beautiful place to visit. Its natural sandy beaches have therapeutic properties, its climate is spectacular especially in summer and there are plenty of restaurants where you can taste the local cuisine while enjoying your family holidays.

Here is also a great opportunity to invest in your own holiday accommodation business, which will provide excellent annual returns given the high national and international demand for tourism.

Book your visit.
