Description:

Located in the heart of Rome, between the Pantheon and Piazza Navona, this extraordinary estate occupies the top floors of a 15th-century building. Surrounded by iconic landmarks and Baroque domes, the property offers the privilege of living in the city centre with the comfort of a prestigious complex featuring double lifts, concierge and security services. The main level of approximately 220 sqm opens onto a grand entrance hall leading to a triple living room with high ceilings, big windows, original terrazzo floors and refined boiserie. This floor also includes a sitting room or study, a dining room, a custom-made kitchen and a guest bathroom. The sleeping area features a master suite with a walk-in wardrobe, en-suite bathroom and mezzanine level, alongside two additional bedrooms, each with its own bathroom. An upper independent floor of about 40 sqm hosts a living room with a fireplace, a kitchenette and a bathroom, ideal for guests. The property's highlight is its 350 sqm of panoramic terraces, complete with outdoor kitchen, lounge and dining areas, offering breathtaking views over Rome's rooftops, domes and the Janiculum Hill.
