Description:

In the heart of Puglia, in Contrada Votano Russo in Ceglie Messapica, a truly unique property awaits you: a complex divided into independent residential units, arranged in an elegant semicircle that perfectly combines privacy and convivial living.

A Unique Layout of Spaces

Right Side (The Wellness Arc):

Entrance and Kitchen: At the far right, the spacious and bright independent kitchen is designed to welcome family and guests, offering warm, functional spaces.

First Trullo: Moving counterclockwise, to the left of the kitchen, the first trullo houses a comfortable bedroom with a private bathroom, ideal as a suite or guest accommodation. From here, outside, a stone staircase leads to a charming rooftop terrace, enhanced by a small gazebo—perfect for relaxing moments while admiring centuries-old olive trees.

Second Trullo: Continuing along the semicircular path, the second trullo offers a second bedroom, also complete with its own bathroom, ensuring additional private and secluded spaces.

Rear of the Property – The Lamia:

Behind the three units, a charming lamia accommodates the third bedroom with its own bathroom.

Additional Exclusive Features

Outdoor Areas:

Private swimming pool (5 × 10 m), ideal for cooling off and fully enjoying the Mediterranean climate.

A valuable artesian well, essential in an area not served by the Apulian aqueduct, ensuring a constant and uninterrupted water supply.

A traditional pizza oven, perfect for authentic culinary experiences with friends and family.

Comfort and Practicality:

The property is equipped with an efficient heating system, allowing it to be comfortably lived in even during winter, ensuring year-round usability.

With a large plot of approximately 13,000 square meters, rich in centuries-old olive trees and local fruit trees, the property is ideal not only as a private residence but also for a tourist accommodation business.

This residence represents a perfect blend of tradition and modern comfort, offering separate yet harmoniously connected spaces. It is the ideal choice for those seeking a home that celebrates the uniqueness of trulli and the history of the area, while also being perfectly suited for tourist use, guaranteeing comfort and functionality throughout the year.
