Description:

Two magnificent building plots are for sale in the charming municipality of El Pont de Vilomara i Rocafort, a quiet area surrounded by nature, perfect for those seeking quality of life without sacrificing proximity to important urban centers. The plots are located in a consolidated residential environment, with good access and a quiet, family-friendly atmosphere, ideal for building a single-family home or for making a medium or long-term investment. Both plots are developable, which allows construction in accordance with current regulations, with the advantage of being located in a growing area with a clear projection of revaluation. Pont de Vilomara stands out for its privileged natural setting, surrounded by mountains, hiking trails, and open landscapes, offering a peaceful and healthy lifestyle. At the same time, it has all the essential amenities and good connections to nearby towns, making it a very attractive option for both primary and secondary residences. These plots represent an excellent opportunity for those wishing to build a custom home, tailored to their tastes and needs, in a peaceful and well-connected setting. They are also ideal for investors seeking land with potential in an increasingly sought-after area. Don't miss this opportunity. For more information, urban planning details, or to schedule a visit, please don't hesitate to contact us. We'd be delighted to advise you and help you take the first step toward your new project. Plot 2: Surface area of 402.50 m², perfectly usable, with very balanced dimensions that facilitate the construction of a comfortable and functional home, maintaining pleasant and well-distributed outdoor spaces. Plot 1: 468.10 m², with an excellent size that allows for the design of a spacious home, with a private garden, outdoor leisure area, swimming pool or terraces. Ideal for modern architectural projects or single-family homes with large rooms and green areas.
