In a quiet area near Labin, a modern house with a swimming pool is for sale, located on the very edge of the village. The location of the property allows you to enjoy the authentic atmosphere of an Istrian town, ensures privacy and peace, while at the same time offering quick access to the sea and all the city amenities of Labin.

In addition to its attractive location, the house is also characterized by high quality construction that guarantees durability, comfort and pleasant living. The modern and unobtrusive architectural expression has created a functional and well-organized floor plan with plenty of natural light and a feeling of airiness. The property is designed as one residential unit spread over two floors, with an interior that combines contemporary style, elegance and practicality.

On the ground floor there is an open living area that connects the living room, dining room and kitchen, and from which there is access to a covered terrace equipped with a summer kitchen. The upper floor includes two bedrooms, with the master bedroom having its own bathroom with a sauna and access to two terraces, one open and one covered with a hot tub.
