Description:

Interstellar rises dramatically from the edge of a cliff, offering a rare and exclusive living experience. Suspended between sky and sea, the villa invites its residents to immerse themselves in nature's beauty from every perspective, where light, horizon, and silence become part of daily life.

The architecture is thoughtfully designed, featuring integrated toilets, showers, and sinks with sweeping views, blending functionality with serenity. Every detail reflects refined simplicity, including an indoor spa bath within the master bedroom, creating a private sanctuary of relaxation. The villa comprises three elegant bedrooms, an open-plan kitchen designed for effortless living, and a striking infinity pool that mirrors the horizon perfect for sun-soaked days and refreshing moments. An inviting outdoor area sets the stage for unforgettable barbecues, while cooler evenings are warmed by the comforting glow of the fireplace.

Completing this exceptional residence, a private elevator ensures seamless access to the upper level. Interstellar masterfully unites luxury, comfort, and architectural harmony, offering a home where sophistication meets the sublime.
