Description:

Endless Oceanfront Living on the Oaxacan Riviera – The Organo Floorplan at Villas Biznaga Step into the essence of coastal elegance and the art of slow living with the Organo floorplan—a beautifully crafted one-story villa featuring 3 bedrooms, 2 bathrooms, and 1,521 square feet of thoughtful, contemporary design. This home blends the serenity of nature with the sophistication of elevated coastal living. Situated within an exclusive gated community along the stunning Oaxacan Riviera, Villas Biznaga offers unobstructed, panoramic views of the Pacific Ocean. From your private plunge pool to the expansive terraces, every corner of the home is designed to celebrate seamless indoor-outdoor living and breathtaking sunsets. Perfectly positioned between Puerto Escondido and Huatulco, this coastal haven offers a tranquil retreat that doesn't sacrifice convenience. You're less than 15 minutes from supermarkets, local convenience stores, and vibrant fresh markets offering seasonal produce and daily catches of fish, shrimp, and other regional delicacies. This is coastal living at its finest, where small beachside communities—each with their own character—dot the coastline just 10 minutes apart, offering access to fine dining, boutique shops, and authentic cultural experiences. Villas Biznaga is a low-density, wellness-driven community rooted in mindfulness, self-care, and a harmonious connection with nature. Here, you have the rare opportunity to build your dream home directly with the builder, ensuring a transparent process and no developer markups. Renderings are conceptual and subject to change without notice.
