Description:

In the heart of Salon-de-Provence, just steps from amenities and within a private gated community of only seven villas, this brand-new house boasts rare Art Deco architecture, designed for light, spaciousness, and modernity.

Completely new from the ground up, it has never been lived in and offers a blank canvas for creating a bespoke interior. From the moment you enter, light is the dominant feature.

A vast 47 sq m living room opens onto the garden through generous windows, while a glass block wall diffuses a soft light throughout the day. The kitchen, left open to any layout, allows you to imagine and create the culinary ambiance that perfectly suits your lifestyle.

The ground floor also includes a bedroom with an en-suite shower room and a separate WC, providing the highly desirable convenience of single-level living.

Upstairs, there are three bright bedrooms, including a master suite with its own shower room. An additional bathroom and a separate WC complete this sleeping area.

A terrace on the upper floor offers an ideal outdoor extension for enjoying the peace and quiet. Outside, the 229 m2 plot, including a 175 m2 garden, offers an intimate setting, easily customisable to your liking.

A garage and two private parking spaces complete the amenities.

New, secure, bright, and fully customisable, this house represents a rare opportunity: to become the first occupants of a contemporary, elegant property perfectly located in the heart of Provence.

A place to shape, potential to unlock, an exceptional address.

Agency fees payable by the seller.
