Description:

Description of object:

We are offering a one-room apartment for sale in the Parus complex with a low maintenance fee. The residential complex was built according to an individual project in the central part of Pomorie. This is the only complex on the coast equipped with gas heating. The building is located 50 meters from the beach, in a good location, in an area with developed infrastructure.

The apartment is on the second floor with an area of 72 square meters and is unfurnished, allowing you to furnish the apartment according to your own design in a modern style. The apartment consists of a hallway, a living room, a bedroom, an equipped bathroom, and a balcony overlooking the pool. This is a wonderful option for permanent residence.

Fixture and fittings:

We present to you an attractive one-bedroom apartment in the Parus complex, a modern residential development located in the central part of Pomorie, Bulgaria.

Features of the apartment:
