Description:

Set within the lush and tranquil landscapes of Ubud, Villa Savera brings a refined blend of contemporary architecture and warm tropical ambience. Designed for buyers exploring Bali houses for sale with strong lifestyle and investment appeal, this collection offers two villa options—2-bedroom and 3-bedroom layouts—each optimized for comfort, privacy, and long-term value.

The 2-bedroom villas feature 89.4 m² of building space on 168.5–171.6 m² of land. The 3-bedroom villas offer 113.9 m² on 214.6–216.4 m² of land. Each home is delivered fully furnished, complete with bright living areas, floor-to-ceiling glass, a modern kitchen, ample storage, and serene bedrooms finished in natural tones. Every villa includes a private pool, private car parking, and private bike parking, adding convenience and livability. Ownership is leasehold for 25 years with a guaranteed extension, making it a secure choice for those considering buying property in Bali.

Ubud's enduring popularity makes Villa Savera especially attractive for both lifestyle buyers and investors. The area enjoys steady year-round demand thanks to its wellness retreats, restaurants, artisan markets, yoga studios, and proximity to nature. Residents will be minutes from landmarks such as the Tegalalang rice terraces, Campuhan Ridge Walk, Monkey Forest, and Ubud's dining scene including Sage, Zest, Kafe, and Yellow Flower Café.

Quiet surroundings, cultural richness, and strong rental performance define Ubud as one of Bali's most stable markets—ideal for long stays, holiday rentals, or hybrid use. Villa Savera offers modern tropical living in a neighborhood that balances nature, creativity, and comfort—an appealing choice for anyone

seeking a long-term home or strategic investment in Bali property.
