Inserted within a modern residence with swimming pool, elegant and well cared for, this newly built three-room apartment is completely ready to live in, ideal for those looking for a turnkey solution. The location is simply enviable: very central and practically lakefront, with all services, restaurants and stores within walking distance.

Desenzano del Garda is commonly referred to as the capital of Lake Garda, and not by chance. It is the most lively and complete center of the entire Garda basin, capable of combining the elegance of the lake landscape with a rich offer of services, infrastructures and opportunities that make it unique compared to other towns on the lake.

It is home to schools, hospital, high-speed train station, as well as a dense network of stores, restaurants, clubs, and sports facilities that guarantee a comfortable, active, and quality living experience in every season. Its historic marina, lively squares, scenic castle, and lakefront promenade tell of its historic soul, while events, markets, and cultural activities highlight its dynamic and welcoming spirit.

Desenzano is not only a tourist destination: it is a real reference point for those seeking the perfect balance between beauty, services and quality of life, in the heart of one of Italy's most fascinating territories.
