Description:

Discover this exclusive new-build development in San Pedro del Pinatar on the Costa Cálida, consisting of just 12 modern tourist apartments. There is a choice of 1- and 2-bedroom apartments, all designed in a contemporary style with great attention to comfort and functionality. Each apartment includes a private parking space and its own storage room, providing additional convenience and storage.

The complex offers excellent communal facilities, including a swimming pool, landscaped gardens, and a fully equipped gym. Thanks to the small-scale nature of the development, residents can enjoy peace and privacy while still having all amenities within easy reach.

The location is particularly attractive: close to the centre of San Pedro del Pinatar and just 1 kilometre from the beautiful beaches and lively promenade. The famous salt lakes of San Pedro are also highly recommended, offering a unique natural setting perfect for walking, cycling, or simply enjoying the scenery.

This project is also ideal for investors, as these are tourist apartments with the rental licence already in place, allowing for immediate returns in one of the most sought-after areas of the Costa Cálida.
