Description:
1-Bedroom Apartment – Pedrouços – Maia – New Development
São João Premium Development – by Lux Premium

A property designed for those seeking tranquility combined with proximity to Portugal’s main urban centers, excellent road access, and quality of life.

This 1-bedroom apartment features 53.50 sqm of Gross Construction Area, with a 6.13 sqm gross balcony area, totaling 59.63 sqm of Above-Ground Construction Area, plus 1 private parking space (garage for 1 car).

Pedrouços is a Portuguese parish located in the municipality of Maia, in the district of Porto. It covers an area of 2.25 km² and has 11,564 inhabitants (2021 census).

Industry and commerce have been the two main drivers of development in Pedrouços over recent decades, as it is part of a municipality where these sectors play a fundamental role in economic growth.

It borders:

To the north: Águas Santas (Maia municipality)

To the west: São Mamede de Infesta and Senhora da Hora (Matosinhos municipality)

To the east: Rio Tinto (Gondomar municipality)

To the south: Paranhos (Porto municipality)

This development is approximately 15 minutes from cities such as Maia, Vila Nova de Gaia, and Porto.

A project offering unique spaces with high-quality finishes and refined design, set within a residential area where nature complements the construction.
