 Description:

Discover our modern villas in Pinoso, nestled in idyllic natural surroundings yet offering all the comforts of contemporary living. The villas are available in various layouts; you can see some examples in the pictures. Each model boasts three spacious bedrooms, two high-quality bathrooms, and a private 6 x 3 m swimming pool – perfect for relaxing hours under the Spanish sun.

The architecture impresses with clean lines, an elegant white facade, and large windows that flood the rooms with light. Open-plan living and dining areas create a feeling of spaciousness, while the modern kitchen with granite countertops and high-quality appliances invites you to cook and enjoy meals.

The villas offer the highest level of comfort: underfloor heating in the bathrooms, pre-installation for air conditioning and photovoltaics, modern security and video intercom systems, and electric shutters. The outdoor areas feature well-maintained terraces with automatic irrigation, and the pool area is equipped with LED lighting and an outdoor shower.

This project combines modern design, high-quality materials and sustainable technologies with the charm of the Spanish countryside – an ideal retreat for family and friends.
