Located on a quiet street you enter the substantial property into a bright, wide hallway with a lounge on the right off which is the fitted kitchen diner that includes a small passageway leading to extra storage and a pantry. From the rear of the kitchen you have access out onto a patio space and to your extensive level garden with plenty of room to add a pool. The outside space includes 2 large storage buildings as well as a shower room, this area to the side of the property has its own street entrance so it would be possible to convert those outbuildings into a large garage and workshop.
