Description:

For families seeking a home with genuine character, real space and a setting that simply cannot be found on a modern development, Bede Road represents an outstanding opportunity. The home is rich in period detail and provides an excellent canvas for a family looking to place their own mark on a truly special home in one of County Durham's most sought-after market towns.

Stepping inside, the entrance porch and generous hallway immediately set the tone. This is a home that welcomes you in and invites you to slow down. The living room to the front is a room built for real family life; a broad bay window dressed with elegant plantation shutters fills the space with natural light, whilst a traditional gas fireplace creates the kind of warm, settled atmosphere that turns a house into a home.

The dining room to the rear is a room with genuine atmosphere. A multifuel stove makes it a space that earns its place through every season, and original red pine wood flooring adds warmth and richness underfoot that speaks quietly but confidently to the home's heritage. This is a room where meals linger, conversations stretch and evenings are well spent.

The kitchen is fully fitted with integrated appliances and ample storage, providing a functional and practical base from which to work. A separate utility room sits neatly beyond, absorbing the everyday demands of a busy household and offering direct access to the rear garden. The conservatory adds further flexibility; A transitional space that connects the interior to the outside world and adapts comfortably to

however it is needed, whether that is a quiet retreat, a hobby space or simply somewhere to sit and watch the seasons change.

Upstairs, three well-proportioned bedrooms each carry the hallmarks of the period. The principal and second bedrooms retain their original feature fireplaces, the kind of architectural detail that immediately elevates a room and rewards those who appreciate craftsmanship and character in equal measure. The third bedroom sits comfortably as a guest room, home office or creative space, depending on what life requires at any given time. The family bathroom provides both a bath and a separate shower cubicle, combining comfort with practicality.

Outside, the south-facing rear garden is one of the home's finest attributes. Catching the sun from midday through to the evening, it is a space that invites you outdoors. The double garage, accessed from the rear lane, delivers ultra-secure private parking alongside generous additional space for storage.

Barnard Castle is a town that consistently rewards those who choose to call it home. The cobbled market place, in easy walking distance, offers an excellent range of independent shops, restaurants and cafés, whilst the world-renowned Bowes Museum sits just moments away. The surrounding landscape of Teesdale provides outstanding walking, cycling and outdoor pursuits on the doorstep, situated on the edge of an Area of Outstanding Natural Beauty.

The location of this property is outstanding in terms of commuting; Situated on the north side of the town, you avoid the morning traffic and congested roads. Darlington is a short drive away in fair conditions, providing access to mainline trains to London Kings Cross. The A1 motorway is also easily reachable via Piercebridge, just a brief drive from the property.

Barnard Castle is an outstanding town and community in which to raise a family, with many sporting and artistic outlets to its name. Teesdale Leisure Centre is also within walkable distance. In addition to this there are two highly-rated senior schools and a range of primary schools for the youngsters, making this a key town to consider seriously.
