Located in one of the most sought-after and fast-growing villages on the Costa Blanca, this exceptional 2018-built townhouse offers the perfect blend of contemporary design, privacy and lifestyle convenience. Positioned in a prime setting directly in front of a protected green nature park, the property enjoys uninterrupted views over a tranquil, unbuildable area, ensuring peace, privacy and a lasting connection with nature. At the same time, it is just a short walk from the vibrant centre of Benijófar with its restaurants, cafés, shops and everyday amenities. The village also enjoys a lovely school, widely regarded as one of the best public schools in the area, making this location ideal for families.

Prime Location with Open Views

With a protected green park directly in front, no future construction can ever obstruct your outlook. This guarantees long-term privacy, serene surroundings, and open views – a rare feature in such a central location.

Modern Design & Effortless Comfort

Designed with both style and functionality in mind, the home features a bright open-plan living area that

flows seamlessly into a fully equipped contemporary kitchen. Large sliding glass doors allow natural light to flood the space and create a smooth connection to the outdoor terrace and private heated pool, fitted with a heat pump for year-round enjoyment.

The property offers three full bedrooms, each with its own en-suite bathroom. One bedroom is currently arranged as a dressing room and another as a home office, providing flexibility to suit your lifestyle needs. Both can easily be converted back into guest or family bedrooms if required.

Sustainable & Future-Ready

This home has been thoughtfully upgraded with solar panels and a dedicated electric vehicle charging point, combining modern comfort with energy-efficient living.

Standout Features

The spacious rooftop solarium provides panoramic views and an ideal setting for relaxing or entertaining. Additional highlights include generous storage space throughout and the fact that the property is sold fully furnished — exactly as presented.
