Description:

I actually love this ground floor apartment. You have three bedrooms one bathroom and the most gorgeous art deco kitchen., The house was previously divided into two properties for family members to live together that separate separately, The property is accessed from a raised terrace of the street where you can sit and watch the world go by, You walk into the property and you have the bedrooms to the front and a large sitting room with a bay window, The kitchen and bathroom are at the back opening onto the Sunny Patio.

But what really makes this Property unique is the large garden completely overgrown at the moment but offering a little bit of peace in the middle of the village.

This is a Great Property for garden in enthusiast in the centre of the old town of Olvera. There is parking on the street and easy walking into the flat part of town, Situated on the longest street in Olvera.
