In an enviable position above the lake, this apartment enjoys one of the most beautiful views of the entire Western Coast of Lake Garda and is located just 1.5 km from the beach. Opposite, on the other side of the lake, you can see the villages of Torri del Benaco, Garda, Lazise, Peschiera, Sirmione and Desenzano del Garda.

It consists of a living room with kitchen, two double bedrooms, a bathroom, and a beautiful terrace of 40 square meters overlooking the lake. On the third floor, large communal sun terrace with two Jacuzzis.

The "House in the Rock", very evocative nickname of the Residence Virgilio, is an anti-seismic building, built in Class A, with particular regard to eco-sustainability, both for energy and water savings: solar panels, condensing boilers, underfloor heating, air conditioning with machines of the latest generation Inverter system.

Each unit has double garage with remote control damper, and shared parking spaces.

The entire structure can be used by people with disabilities, total lack of steps or differences in level, elevator with push-button control, large size of access doors to rooms. Even families with children will find the apartments of the Residence Virgilio particularly suitable for spending their holidays in Toscolano Maderno, on Lake Garda.
