Casa Da Joana is a company linked to the real estate industry that was born in the city of Aveiro. It is distinguished by the rigorous and careful selection of the properties it promotes and presents to its clients. It is assumed as a relaxed concept, where finding the ideal home, and as passionate as possible, are the watchwords.

The proximity and empathy he establishes with customers creates bonds and establishes a relationship of equal trust and credibility.

We are in the market to give colour and passion to the real estate market and to combat the traditional model of buying and selling real estate.

Our home is the most special place in our life and, therefore, choosing it is a process that should be advised with all the importance and care it deserves.
