Description:

This commercial space inserted within an urbanization, currently operating as a restaurant, offers seaviews, and has capacity for 50 seats on the interior and an exterior area for an additional 25. This space is composed of a greeting area, leading to the main dining area with a fully equipped bar and storage, a professionally equipped kitchen and washroom facilities for guests. The exterior seating area has a shaded area with mature trees and has a parking area for restaurant guests.

Although its current use is a restaurant, this commercial space would also be suitable for other purposes. Renovation and expansion works were carried out in 2018.

The location is within walking distance to a beach, which brings tourist traffic for both lunch and dinner services.

Nearby, the Vale do Milho Golf and Tennis courts of the urbanization, further increase its business potential for catering to private events.
