Description:
 Excellent Investment Opportunity – 1,625 m² Urban Land

If you are looking for the ideal place to build the house of your dreams, this developable land offers everything you need: a privileged location, a peaceful environment and the possibility of developing a modern and functional architectural project.

Location and Involvement

Located in a valued area with great potential, this land stands out for its serene environment and proximity to all essential amenities. It is located in a low-traffic residential area, providing privacy and security for the whole family.

Furthermore, it is well served by road access, allowing quick travel to various points in the city and surrounding areas. The proximity to schools, supermarkets, health centers and public transport makes this land an ideal option for those who want to combine comfort, practicality and quality of life.

Urban situation: Urbanizable land

Terrain Features

Total area: 1,625 m²
 Constructible area: 400 m²

Construction feasibility:

Modern 2-storey house + basement
Possibility of including a swimming pool and leisure areas
Option for custom architecture according to municipal regulations

Its generous footprint allows for an innovative design, with large green areas, outdoor leisure spaces and a comfortable layout of the interior spaces. Whether for a main residence or a holiday home, this land adapts perfectly to different lifestyles.

Advantages of this Investment

- Privacy and comfort – Located in a quiet area, ideal for those who value quality of life.
- Potential for appreciation – Strategic location that guarantees a solid and promising investment.
- Construction flexibility – Allows you to build a customized home according to your preferences.
- Proximity to essential services – Supermarkets, schools, pharmacies and public transport just a few minutes away.
- Pleasant residential environment – Surrounded by green spaces and other modern villas.
