Excellence through experience!

Urban land located in the **Lacul Băneasa area**, one of the most prestigious and exclusive residential locations in northern Bucharest, characterized by premium surroundings, easy accessibility, and proximity to green areas and the lake.

The plot has a total surface of **480 sqm** and benefits from favorable urban planning parameters for residential development, with **POT 30%** and **CUT 1**, allowing the construction of a building with a height regime of **Basement + Ground Floor + 2 Upper Floors (S+P+2)**.

The property is ideal for the development of a **private villa** or a **boutique residential project**, offering the perfect balance between privacy, accessibility, and environmental quality. Its proximity to **Lacul Băneasa** provides a pleasant natural setting while maintaining convenient access to major roads, international schools, shopping centers, and the main business hubs in northern Bucharest.

An excellent opportunity for **investment** or for developing an **exclusive residence** in a highly demanded location with strong long-term appreciation potential.
