Description:

This beautiful detached house offers plenty of space, privacy and versatile usage options – ideal for families or for combining living and renting.

The main apartment boasts a well-designed layout: two comfortable bedrooms, a modern bathroom, a kitchen, and a dining room offer ample space for everyday life. The highlight is the spacious living area with large windows that provide stunning views of the garden and the large pool, and flood the space with natural light.

Upstairs, there is a separate apartment accessible via a large terrace with impressive panoramic views. This unit also features two bedrooms and a bathroom. In addition, there is a convenient kitchenette with a refrigerator and coffee maker (not a fully equipped kitchen), a dining area, and a comfortable living room – ideal for guests, family members, or for rental purposes.

The outdoor area leaves nothing to be desired: A spacious garden with a large pool invites you to relax.
