Description:

Unique villa for rent in Qetesia Residence Querret

Querretit Beach is one of the most sought after attractions for holidays not only in summer but also in the winter season. On Qetesia Street with direct access to the main roads and among the forest with various trees there is a residence consisting of individual villas. In the quieter and more private residence that you are looking for we bring an Individual typology villa to the market. The villa is located 50m from the sea and in its style is very UNIQUE and gigantic in organization. The investments in the villa are very high quality and of a classic style intertwined with the modern one making the presence of the classic style more unique through the chandeliers which are perfectly located on each floor and room of the villa. In front of it you can enjoy the sea breeze and the children's park with a quiet and relaxing view. The comfort and convenience that the villa offers is on another level and not only for a vacation home but can be enjoyed every day of the year.

The villa has access to 2 entrances to the outside environment.

Organization of the external environment

2 parking spaces for cars.

1 large balcony to enjoy the afternoon

1 large table with chairs for family dinners on the veranda

Space for grills barbecues and storage organization system
