Located on the seventh floor of a building with 269 square meters of living space, this fabulous, recently renovated apartment features a simple layout as follows: upon entering the apartment via the private elevator, you'll find a spacious entrance hall with a large coat closet and a guest bathroom equipped with everything you need. Immediately to the left is a large, open-plan living and dining area, easily divided into two distinct zones: a living area and a dining area. Further along the route, in a separate room, is a good-sized kitchen with ample storage and all the necessary appliances, including an oven, microwave, refrigerator, and more, all of which are built-in and complement the kitchen's decor. The apartment features a very comfortable countertop with seating for up to three people. There is also an office area with a table for four or six, highlighted by a large window overlooking a spacious courtyard, providing excellent ventilation and natural light. A large laundry room includes a washing machine, dryer, and hand dryer. It is worth noting that there is a second entrance to the apartment, or service entrance, with a freight elevator and stairs. Located in a modern building from 19XX, with two entrances, a well-maintained lobby, a doorman during business hours, a private main elevator, and a freight elevator. Situated on a well-known street in the Salamanca Castellana district, it is surrounded by a variety of shops, restaurants, cafes, banks, schools, supermarkets, a gym, and more. Excellent transport links include metro and bus lines, taxis, bicycles, and other options. This apartment presents an excellent opportunity to own a home in one of Madrid's most prestigious areas.
