Description:

Diamant sur le parc is a truly unique Parisian property. Once the apartment of legendary couturier Pierre Balmain, this remarkable residence has been completely renovated, equipped, and decorated. A comprehensive personalized concierge service is the finishing touch to this incomparable offering.

Located in the prestigious Walter buildings complex, this apartment creates a sensational impression with its extraordinary detailing and boldly distinctive 'jungle chic' look.

Our interior architects have ingeniously configured the expansive reception area to accentuate its spaciousness while conveying a serenely intimate mood.

The residence includes two private floors with four spacious suites, each with lavishly appointed dressing rooms and baths.
