TISNO, MURTER - INVESTMENT! Office space in the 1st row to the sea

We are selling business premises in Tisno on the island of Murter. The space is located right on the coast/beach and a cafe bar operates in it. The space is very nicely decorated, it has 69 m² and consists of the main space, 2 toilets and an additional room that can be entered from the bar but also from a side street. The room has its own bathroom and can easily be converted into a mini studio apartment. In addition to the space, it is possible to buy all catering equipment. Also, the entire office space can easily be converted into a beautiful and spacious apartment for tourist rental. Rental prices in Tisno are quite high due to the nearby summer Garden Festival, which guarantees excellent occupancy in the high season, so this type of investment ensures a quick return on investment. The building in which the office space is located was built in 2023. The space is being sold due to investment in another property. Don't miss the opportunity! Now is the right time to take advantage of this rare opportunity and become the owner of a nice bar in Tisno. Contact us today to learn more and book your tour!
