Description:
Guest house with 7 apartments in Dobrinj on Krk peninsula!

It is in fact a semi-detached house in a small and quiet place near Dobrinje.

Total floorspace is 500 m² of living space and land plot is 1000 m².

The old stone house was completely renovated in 2004, when new electricity and water installations, new carpentry, facade and replaced roof were installed.

The house has a ground floor and a first floor with a total of 19 rooms, 13 of which are bedrooms and 6 bathrooms.

On the large garden there is a parking lot for several vehicles and an underground auxiliary building in the nature of business premises.

It is possible to build another building next to the road itself, which has been demolished and there is documentation for it.

A property with a lot of potential with certain investments can be turned into an apartment oasis in a quiet part of the island approx. 3000 m from the sea.
