BIOGRAD NA MORU - apartment in a new building

This modernly designed apartment of 76 m² is located on the first floor of a new building in Biograd na Moru, in an attractive position above the main road that provides quick access to the main roads, while maintaining peace and privacy. It is only a few minutes' walk from the center and all local amenities, which makes the apartment ideal for everyday life or a seasonal stay by the sea.

The apartment is characterized by a functional and well-thought-out layout. It consists of three bedrooms, two of which are interconnected by a bathroom, while an additional separate bathroom provides additional convenience for family or guests. Such a layout provides comfort and privacy, while facilitating everyday use.

The heart of the apartment is the living room with dining room and open-concept kitchen, a space that is bright, airy and extremely functional. Life and socializing naturally merge here, and four balconies with a total area of 25 m² provide additional value - they are ideal for enjoying the outdoors, having your morning coffee or relaxing with the views.

The apartment also comes with a parking space within the fenced yard, which ensures safety and convenience, especially in the summer months when traffic is hectic. The new building itself guarantees modern design, quality insulation and energy efficiency, making the apartment not only aesthetically appealing, but also functional and economical to use.
