Description:

This home will surely catch your attention with its spectacular design: modern, Mediterranean, and full of life. But you will like it even more when you know it is built with natural and sustainable materials and designed to maximize natural light and healthy ventilation, preventing humidity. An energy-efficient home, respectful of the environment and your family's health, and very economical to maintain.

The option shown offers 125 m² with 3 bedrooms and 2 bathrooms, but if you need more space, it can easily be expanded to 170 m² with 4 bedrooms and 3 bathrooms. One of its most appealing features is its two large terraces, one on each floor. The ground floor terrace is designed as a natural extension of the living-dining area through large glass doors, bringing in light, space, and comfort. Imagine enjoying morning coffee, meditation or yoga, reading, or evenings with friends, good weather, and great food. And as a finishing touch, a swimming pool to cool off during the summer.

The 718 m² plot is located in the Mas Pere urbanization and offers beautiful sea views from the first floor. There is also space to add a garage and a swimming pool. It is a and pleasant area, at the foot of the Les Gavarres natural park, surrounded by nature and just minutes from the beaches of Sant Antoni, Torre Valentina, or Palamós. Calonge, with all services, is only 2 km away.
