Description:

Nestled on the second floor of a peaceful, small co-ownership with a volunteer-managed condominium, this through-apartment immediately charms with its brightness and authentic character.

The layout is perfectly balanced: a welcoming living area with lounge and kitchen, three bedrooms including a master suite with dressing room and private shower room, a second shower room, and a separate toilet.

The solid oak flooring, wooden double-glazed windows, and air conditioning create a refined yet cozy atmosphere.

As a bonus: a private cellar, perfect for extra storage.

A blend of period charm, modern comfort, and timeless elegance.

A truly unique place for those dreaming of living in the heart of Avignon — where history, charm, and serenity meet.
