Description:

This charming 95 m² residence is ideally located in the heart of La Réole, City of Art and History. In the immediate vicinity of shops, schools, and only a 5-minute walk from the train station, it benefits from a privileged location.

It benefits from an unobstructed view of a square, and brings a very beautiful luminosity to all the rooms. It consists of a large entrance on the ground floor, and upstairs a bright living room, two bedrooms, a bathroom and a kitchen-diner. The house is distinguished by its original parquet floors and marble fireplaces. The attic, which can be converted over 30 m², offers considerable potential for extension. Two large garages, of 35 and 60 m², valuable assets in the city center, are ideal for considering a workshop, a renovation or any other project.

Although the house requires a major refresh, it represents a great opportunity. It could also interest investors looking for a property for rental accommodation, thanks to its sought-after location and its many development possibilities.

The recent double-glazed frames and the city gas heating are all assets that make this house full of character a pleasant place to live with multiple opportunities to seize.
