Combining medieval prestige with immediate rental income, this building is a gem for discerning investors. A Journey Through Time: From the moment you cross the threshold, the spirit of the chivalric era takes hold. A magnificent stone spiral staircase leads to the upper floors, a testament to the nobility of this building, which may date back to the illustrious Viscount of Turenne. The spaces are monumental, the materials exquisite, and the atmosphere utterly unique. - Potential Profitability: A Multi-Income Strategy. The building is designed to maximize your cash flow through optimal mixed-use development: Residential Component (Already Operational): 1st Floor (Master Apartment): A magnificent 70m² living space, a 30m² eat-in kitchen, a master suite, and a luxury bathroom (41m²). 2nd Floor (The Gîtes): Two one-bedroom apartments (almost 60m² each), currently rented as gîtes, offering high tourist returns thanks to the appeal of Beaulieu, one of the most beautiful villages in France. Flexible Studio: A separate 21m² bedroom with a shower room can be attached to the main apartment or used as an additional rental studio.
