- San Rocco Square: 31km
- Corfu International Airport Ioannis Kapodistrias: 30km
- Corfu Port (ticket offices): 32km
- Corfu General Hospital: 37km

Investment Profile:

This asset represents a solid investment opportunity within a well-established tourism zone of Corfu. The configuration of multiple independent units, combined with its prime proximity to the beach, allows for: Immediate reactivation as a rental accommodation business

Operation via short-term rental platforms (Airbnb, Booking.com)

Repositioning into a boutique hospitality concept following renovation

The property offers flexibility in business model and strong potential for yield optimization through targeted upgrading.

Location Overview – Agios Georgios Argyradon:

Agios Georgios Argyradon is a well-known coastal destination in South Corfu, characterized by its extensive sandy beach and consistent tourist demand.

The area benefits from:

Organized beachfront with leisure and dining facilities

Established tourism infrastructure

High seasonal occupancy levels

Continuous development and increasing international demand

Its profile ensures long-term investment stability and attractive returns in the hospitality sector.
