Description:

In the heart of Pienza's historic centre, within a four-storey palazzo, this bright and move-in ready apartment on the first floor is now available for sale. The building, originally constructed in the 1950s and skilfully restored, is distinguished by a façade that combines the warmth of exposed red brick with rendered sections. Access to the property is via a spacious communal staircase, with no lift, featuring green stone steps and a characterful wrought-iron banister with a wooden handrail. The entrance opens onto a open-plan living area with white tiled floors and a modern fitted kitchen, whilst the sleeping area accommodates a generous double bedroom. The internal layout is completed by a bathroom, finished in delicate blue ceramic tiles and fitted with a pedestal basin and a walk-in shower cubicle. The property benefits from independent utilities and newly installed double-glazed windows. Further enhancing this property, offered part-furnished and with autonomous radiator heating, is a practical private cellar of 5 sq m with tiled flooring, as well as generous communal deposit areas on the lower ground floor, ideal for bicycle storage.
