Description:

Traditional House with Modern Bathroom and Ocean View in Ribeira Seca

Discover the extraordinary potential of this two-story traditional house located in the serene and picturesque parish of Ribeira Seca, on the stunning Pico Island. This property represents a unique opportunity for investors or families looking for a renovation project where the most technically demanding work has already been completed. The bathroom has been fully renovated with high-quality modern finishes, providing a functional starting point for the rest of your creative vision.

The architectural layout was carefully planned to maximize the light and the Atlantic breeze. The Upper Floor is designed to be the heart of the home, featuring a comfortable bedroom, a bright living room, and a kitchen area in an open or semi-open concept, all served by the recently modernized bathroom. Living on this level ensures a constant connection with the horizon and the deep blue of the ocean. The Lower Floor offers a spacious area ideally suited for a second bedroom, a private office, or a guest suite, benefiting from the natural thermal insulation of the traditional stone construction.

A Paradise for Nature Lovers:

The property is bathed in natural light and offers a magnificent sunset every evening, providing a therapeutic atmosphere. The location is a true sanctuary, surrounded by world-class hiking trails and just a 5-minute drive from refreshing natural swimming pools. Strategically positioned, it sits only 12 minutes from the center of Lajes do Pico, 7 minutes from the Port of Santa Cruz das Ribeiras, and 7 minutes from the iconic Calheta do Nesquim. This is the perfect blank canvas to create a high-yield vacation

rental or a private retreat in the Azores. Come and feel the energy of the Mountain Island.
