Land with a total area of 1,600 m² in an excellent location, only 200 m from the sea. Currently located right at the edge of the construction zone.

It consists of six smaller parcels, with a planned road (10 m wide) running through the middle. With the construction of the road, the parcels will be divided into two parts, making them even more attractive as they may potentially enter the construction zone.

The land offers a beautiful sea view, and all essential amenities are just a few minutes away.

An ideal investment for the future.
