Description:

Attractive building land of regular shape is for sale on the island of Prvić, located in the settlement of Prvić Šepurine. According to the valid spatial plan, it is situated in the S construction zone, within an undeveloped building area, with the possibility of SS construction – the construction of detached single-family residential buildings.

The plot is approximately 50 meters long and about 14 meters wide. It is only 150 meters from the sea and the beach, while all necessary infrastructure is located directly next to the land.

The location offers exceptional peace, privacy, and an authentic island atmosphere, making it ideal for a holiday home or building a family house near the sea.
