ŠIBENIK, TISNO – Agricultural land in an attractive location, 450 m from the sea

Tisno is a charming Dalmatian town located partly on the mainland and partly on the island of Murter, with which it is connected by a drawbridge. It is located in the immediate vicinity of Šibenik and is known for its crystal clear sea, numerous bays and relaxed Mediterranean lifestyle. Thanks to its location, Tisno is an excellent starting point for exploring the Kornati National Park, as well as the Vrana Lake Nature Park. The area is rich in natural beauty, hidden beaches and olive groves, which makes it ideal for a vacation, but also for investing in real estate.

In a quiet and attractive location, only 450 m as the crow flies from the sea, agricultural land with a total area of 5000 m² is for sale. The plot is spacious and offers numerous possibilities for use, ideal for agricultural activities, an olive grove, a vineyard or as a long-term investment.

The land is located in a natural environment, which ensures privacy and peace, away from the hustle and bustle of the city. The access road to the plot is macadam.
