#### Description:

Designer penthouse with sea views and expansive terraces in Cala Vadella, Ibiza

Positioned in one of Ibiza's most sought-after southwest locations, this duplex penthouse is set within a private, gated community in Cala Vadella.

Offering approximately 135 m<sup>2</sup> of interior space and 98 m<sup>2</sup> of terraces, the property achieves a rare balance of scale, privacy, and architectural clarity. Indoor and outdoor areas flow seamlessly, creating a calm, understated living environment focused on light, openness, and views.

The layout is intentionally refined:

Three bedrooms on the lower level, including a discreetly elegant master suite with sea views, walk-in wardrobe, and en-suite bathroom.

The upper level is designed as a fully open living space, oriented entirely towards the landscape. Living area and kitchen are integrated, with floor-to-ceiling glazing and direct access to the main terrace.

The private rooftop — part of the total 98 m<sup>2</sup> outdoor space — features an outdoor kitchen, shower, and jacuzzi. A space conceived for privacy, sunset views, and quiet enjoyment.

Finishes are high-quality, minimal, and timeless. The property is offered fully furnished and ready for immediate use.

It includes underground parking, a storage room, and an additional parking space.

The community offers 24-hour security, pool, spa, and fitness facilities, designed with an international clientele in mind.

Cala Vadella beach is within walking distance, in one of the island's most desirable settings.

A property defined by location, discretion, and long-term value.
