Playa del Carmen The Jewel of the Mexican Caribbean

It is one of the most captivating cities in the Yucatan Peninsula a multicultural and touristic place par excellence which represents the customs and traditions of the state of Quintana Roo. In addition to becoming an exclusive cosmopolitan city of the modern world born within a natural paradisiacal environment.

Recognized as one of the jewels of the Mexican Caribbean it is enveloped by its mythical jungle home to a revered fauna and whimsical corners its subway rivers ancestral cenotes beaches of fine white sand caressed by an exclusive turquoise blue.

It is here where life unfolds where time stands still while everything happens.

## Golden zone

Within the district with the highest and most exclusive development of Playa del Carmen we find one of the most desired treasures the so called Golden Zone . Recognized for being located in the streets surrounding Av 38 a section valued by its residents as the most beautiful in the city. Its urban design services and residents give it an indescribable essence that invites you to create great moments and new experiences.
